# iSolved Mobile Application
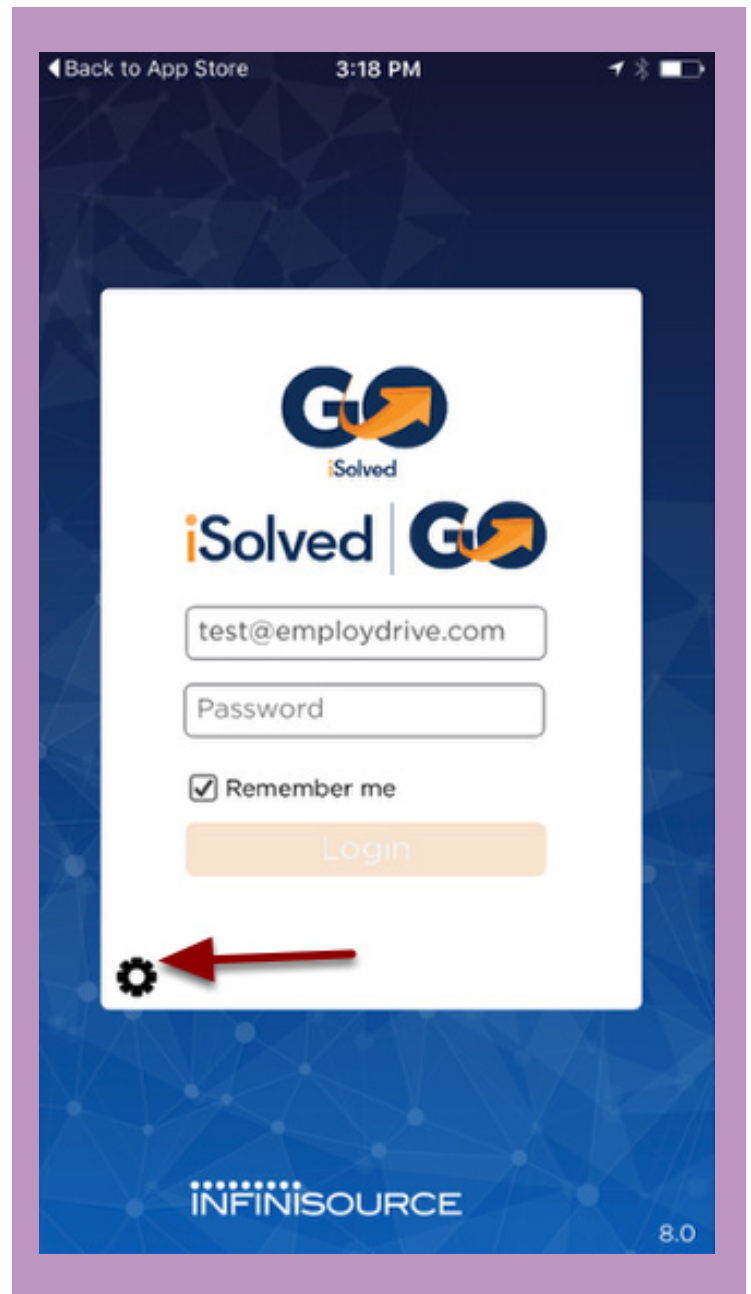

STEP 1

In the App Store, search for iSolved and download the "iSolvedGo" application.
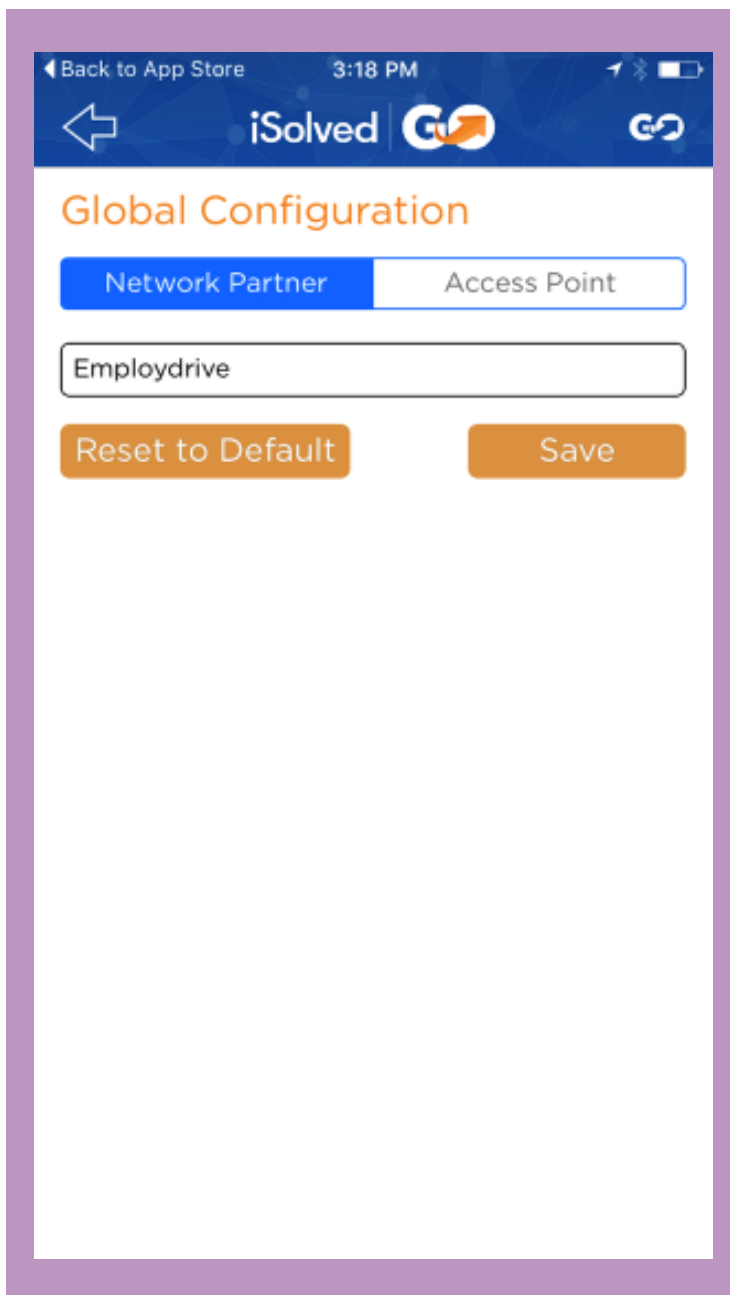

STEP 2

When you open the app for the first time, click on the gear icon in the lower left corner.

iSolved Mobile Application

STEP 3

Under "Network Partner," type in Employdrive. Hit "Save" when complete.

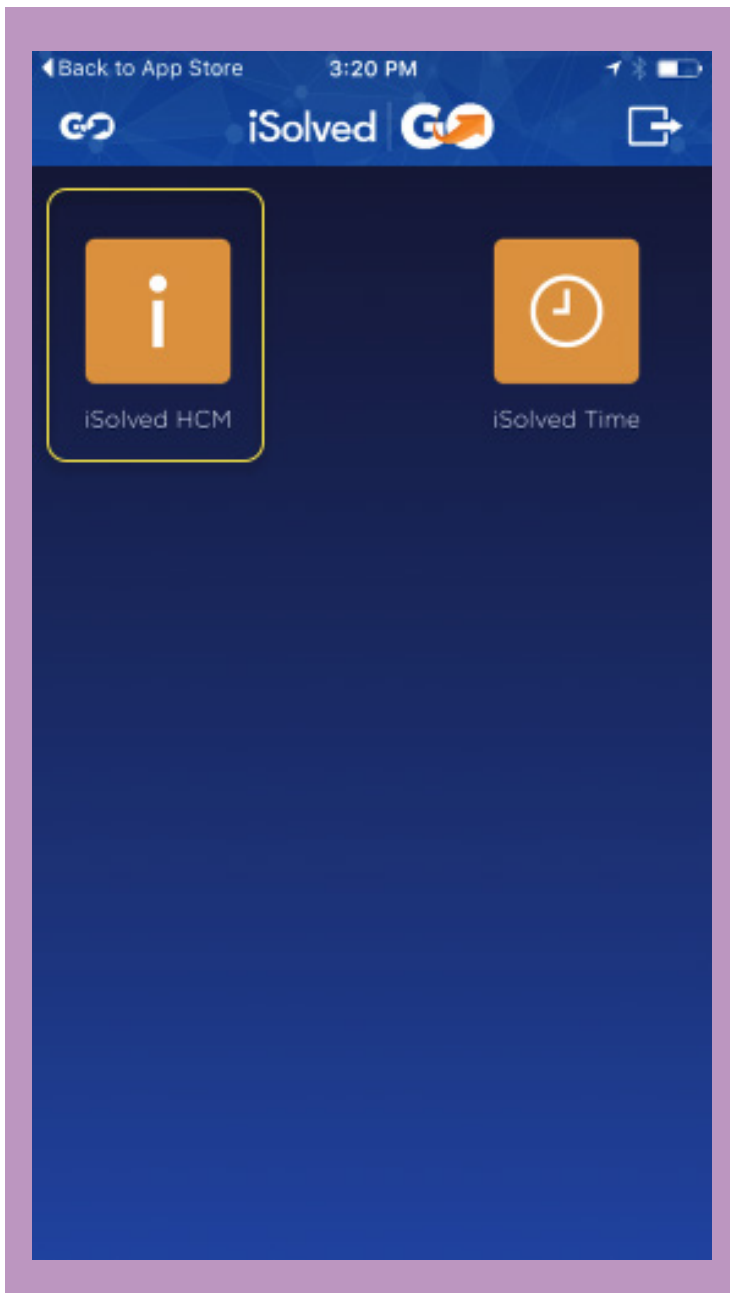

STEP 4

In the login screen, enter your payroll username and password. You can click on "Remember Me" to avoid keying in the username in the future.
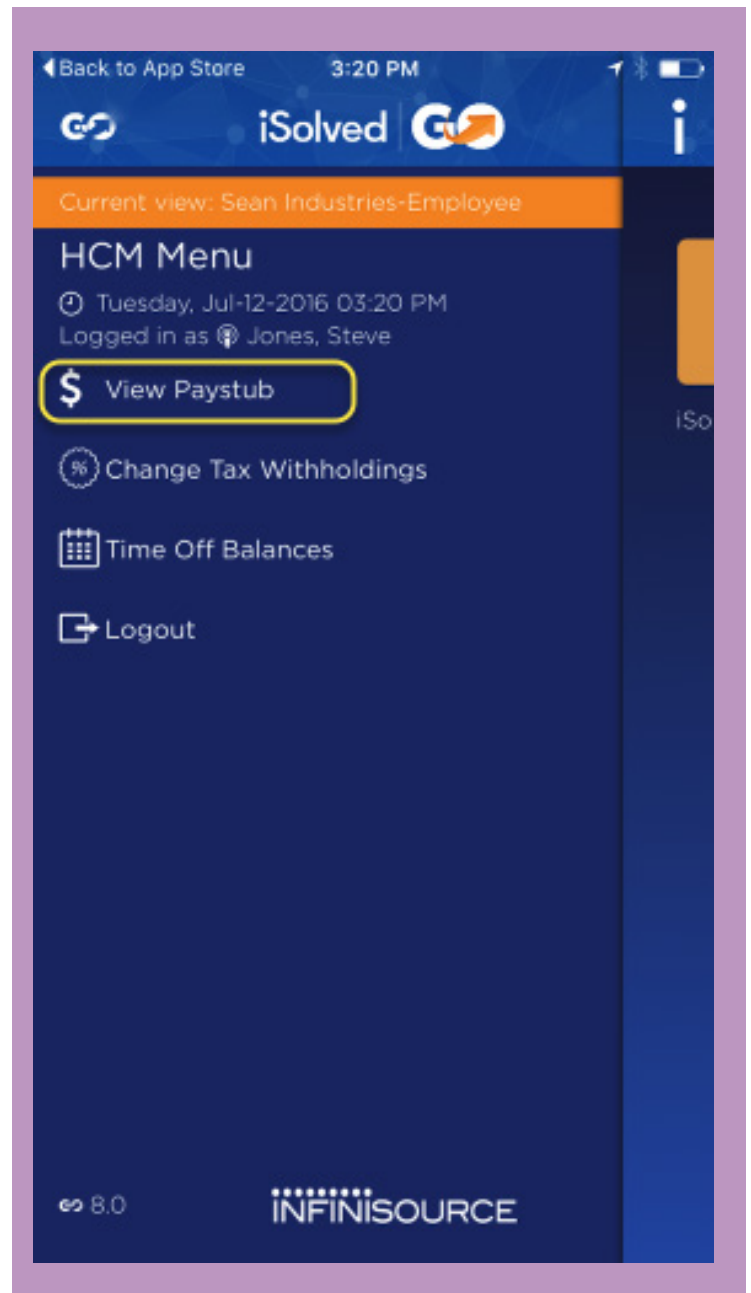

iSolved Mobile Application

STEP 5

Once you login, click on the iSolved HCM icon.

STEP 6

To view your paystub, click on the "View Paystub" link.
